From a pool of qualified applicants, winners will then be chosen at random on the night of the Aloha Concert.

PO BOX 31045
Honolulu, HI 96820**

Only complete applications postmarked on or before the deadline will be considered.
Applications may not be hand delivered.

The criteria for qualification will be based on a point system established by the scholarship committee. Since it is anticipated that there will be many equally deserving applicants who meet the qualifications, the final selection of the scholarship awardees will be done by a random drawing of names from the pool of qualifying applicants. This final selection will be made at the annual Aloha Concert. The qualification criteria will be set such that the pool of qualified applicants will not be less than two times the number of scholarships to be awarded, unless there are an insufficient number of applications. While the total number and value of the scholarships has been determined for this year, the Boosters reserve the right to adjust these numbers or discontinue the awarding of scholarships at its discretion in future years.

Any questions relating to the process or selection criteria for these scholarships should be emailed directly to President@MoHSmusic.com.

All applications must be postmarked by the deadline above.
